

DOUBLE COVERAGE LANDSCAPES LLC

Spring time Sprinkler Activation Notice

February 27, 2017

Dear Customer,

We will be turning on irrigation systems starting on March 17th, 2017.

We are urging current DOUBLE COVERAGE customers to schedule activation appointments as soon as possible so we may service you more efficiently.

If you need any extra sprinkler work done, this includes minor repairs this will be done at the time of activation. If any major repairs are found, another appointment may be scheduled for a later date.

For Appointments please call our Office: 303-234-9660

Important

Once your sprinkler system is turned on, it is your responsibility to keep it from freezing if a spring storm or freeze comes in. To prevent freeze damage from occurring, we recommend that you wrap a large and heavy quilt or blanket around your vacuum breaker and then wrap it with a plastic tarp or bag to keep it dry. It is recommended that you keep it covered until June 1st.

Landscape and Maintenance needs!

- 1) Total trees work / any size (notify Jones Tree and Lawn only @ 303-431-8132).
- 2) Full property clean ups (includes all commercial properties)
